Memories Don't Fade

*Memories don't fade, they just grow deep,
For the one we loved but could not keep.
No one knows the sorrows we share,
Just as you were, you will always be,
Forever treasured in our memory.
So rest in peace and thank you.
For all you have given us
We pray that God has given you
All the peace and joy you deserve
Forever loved and sadly missed,
Your family.*
