*Feel No Guilt In Laughter*

*Feel no guilt in laughter, I know how much you care.  
Feel no sorrow in a smile that I am not here to share.  
You cannot grieve forever; I would not want you to.  
I hope that you could live your life the way you always do.*

*So, talk about the good times  
and the way you showed you cared,  
the days we spent together, all the happiness we've shared.  
Let memories surround you, a word someone might say  
will suddenly recapture a time, an hour or a day,  
that brings me back as clearly as though I were still here,  
and fills you with the feeling that I'm always near.*

*For if you keep those moments, we will never be apart  
and I will live forever locked safely within your heart.*
