

God grant me the serenity
To accept the things I cannot change;
Courage to change the things I can;
And wisdom to know the difference.

Living one day at a time;
Enjoying one moment at a time;
Accepting hardships as the pathway to peace;

Taking, as He did, this sinful world As it is, not as I
would have it;

Trusting that He will make things right If I surrender
to His Will; So that I may be reasonably happy in this
life And supremely happy with Him Forever and ever
in the next.

Amen.
