*I have a place in **HEAVEN**
Please don't sing sad songs for me
Forget your grief and fears
For I am in a perfect place
away from pain and tears.
Its far away from hunger
And hurt and want and pride
I have a place in **HEAVEN**
With the Master at my side
My life on earth was very good
As earthly life can go
But Paradise is so much more
Then anyone can know.
My heart is filled with happiness
And sweet rejoicing, too
To walk with **GOD** is perfect peace*
