

A Wife, a Mother, a Grandma too

A Wife, a Mother, a Grandma too,
this is the **LEGACY** we have from you.

You taught us love and how to fight,
you gave us **STRENGTH**, you gave us might,

A stronger person would be hard to find,
and in your heart, you were always kind.

You fought for all of us in one way or another,
not just as a wife not just as a mother.

For all of us you gave your best,
now the time has come for you rest.

So go in **PEACE**, you've earned your sleep,
your **love** in our hearts, we'll eternally keep.

1946 ~ 2023

You gave us strength, you gave us love,
the kind only a mother can give.
We couldn't keep you; your struggle is over,
Fly home on the wings of a dove.
Close gentle eyes, so tired they are,
Lay to rest your worries and pain.
With angels to guide you, it's time to fly,
we know you'll never be far.
"Mom you will always be our angel"
