

*Our beloved Mother, Wife, & Sister
Marie-France always said life is precious,
tomorrow is never promised make very day
and moment count **ALWAYS**.*

*No one could encapsulate the meaning of this
more than her, she would turn the most simplest task
into the most ultimate magical adventure.*

You were a forcefield.

Love is griefs souvenir.

*Thank you for a lifetime of magical memories.
You are the entire atmosphere that surrounds us.*
