

"I am happy in my old age. I have been painting nearly all my life and I hope that it will continue to such a day when my Creator calls me away. It will be my hope that He will give me a paintbrush, paint, and a place to paint it. And that I will be able to paint to my last day, here on Mother Earth. Just maybe, our Creator will allow me to continue in another, here or elsewhere.

Thank you, my Creator, Thank you."
